

Two Stitch Buttonholes on a Single Band

Two stitches bound off with latch tool – the next row the loops over the needles were twist to form an e-wrap onto each of the two needles

Two stitches pulled stitch through stitch – the next row the loops over the needles were twist to form an e-wrap onto each of the two needles

Three Stitch Buttonhole on a Double Band

Marking the buttonhole stitches with a contrast color

Before the contrast has been removed & and after...the finished buttonhole

The buttonhole band attached to the sweater

Vertical Double Band Buttonhole

As seen from the purl side Fold stitch is tucked every other row –actually reformed after knitting from the knit side in this case

As seen from the knit side

Top finished in contrast with blanket stitch & bottom finished with overcast stitch
